Mail Stop ISSUE FEE
Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

In preparing the response to the Notice of Allowance and Fee(s) Due mailed September 18, 2008, Applicants recognized that the Office considered and applied the reference Malagrino et al., US Patent 6,714,985 to the present application on page 2 of the Office action mailed January 29, 2008, but failed to list this reference on a Form PTO-892. Applicants appreciate the Office ensuring that the US Patent issued from the present application lists US Patent 6,714,985 on its face as being considered by the Office, as it was considered as evidenced by the rejection based thereon and presented in the Office action mailed January 29, 2008. Applicants believe no fee is due in connection with these comments, however, the Commissioner is hereby authorized to charge any fee associated with this paper to Deposit Account No. 501430.
